Grant Funds to be Distributed

\$461,066*

The Georgia General Assembly appropriated funds to the Judicial Council of Georgia for a grant to provide civil legal services to kinship care families. The Judicial Council has adopted general guidelines to govern the granting of these funds. It has also delegated to its Judicial Council Standing Committee on Grants the duty of accepting and evaluating grant applications and awarding grants.

The Committee on Grants plans to award these funds starting July 1, 2021. Seventy-five percent of the grant funds will be awarded pursuant to the poverty population guidelines, which is based on the most current estimates from the U.S. Census, and twenty-five percent of the grant funds will be awarded to special needs areas. Grant proposals will be considered from non-profit providers with ten or more years of providing civil legal services to kinship care families or similar services. Providers may apply for funds from both categories.

The full description of the grant program and the formula to calculate the poverty population grant amount are attached and we urge you to read them before applying.

Applications must include the following:

Evaluation: The application should describe exactly how the activity and its effectiveness will be monitored, measured, and reported. No grants will be made unless the Committee has approved

the evaluation process. Grantees will be required to report to the Administrative Office of the Courts every six months detailing how the grant funds were specifically used to assist kinship care families throughout Georgia. The required reporting form is supplied by the Administrative Office of the Courts and will be posted at <https://jcaoc.georgiacourts.gov/wp-content/uploads/sites/6/2021/03/KC-Grant-Reporting-Form-FY22.pdf>.

The budget narrative should explain each line item of the budget. If the agency previously received a grant from the Committee, any outstanding balance should be indicated. Furthermore, the agency's total budget and other sources of funding should be listed.

Funding Limitations: Please refer to the grant description for permitted uses of the grant funds.

Letters of Support: The agency must submit letters of support and cooperation with the application. These letters may be from local programs and community partners which provide services for kinship care families and children. Letters from judges and members of the General Assembly are also helpful. Agencies should limit the amount of letters of support to no more than 5 letters per application.

Non-profit Status: Agencies must attach a copy of the IRS letter indicating non-profit status, a statement indicating that they are registered and in good standing with the State of Georgia for 2021 and utilize E-Verify.

DESCRIPTION OF GRANT PROGRAM
OFFICIAL COMPILATION OF THE RULES AND REGULATIONS
OF THE STATE OF GEORGIA
OFFICE OF THE SECRETARY OF STATE

I. Name of Grant Program: Civil Legal Services to Kinship Care Families in Georgia (Short name: Kinship Care Project).

II. Legal Authority: O.C.G.A. §15-5-24 and Supreme Court of Georgia Order of January 15, 1981 relating to the duties of the Judicial Council/Administrative Office of the Courts.

III. Definition: This is a statewide project designed to provide civil legal services to kinship caregivers and children living with caregivers who need support to maintain stable homes and care.

IV. Scope: Kinship care refers to full-time, non-parental care of children by grandparents, relatives, and sometimes family friends, without the assistance of parents.¹ Studies show that the benefits of kinship care are substantial. A Georgia House of Representatives study committee noted that “[k]inship care families provide a safe, stable, and nurturing home for children suffering from the trauma of parental separation and other hardship.”² It is estimated that informal kinship caregivers save U.S. taxpayers \$4 billion annually by caring for children who would otherwise fall into state custody.³ Many kinship families are low-income households and face complex issues. Relatives and other caregivers often struggle to care and provide for new members of the household, who often arrive in their care following trauma or crisis. This Project will provide civil legal services to this target population to help caregivers create safer and more sustainable households and equip caregivers with resources to stabilize the lives of the children in their care.

V. Purpose: The purpose of this project is to provide civil legal assistance to kinship care families. Such legal assistance helps keep at risk children out of the foster care system and supports them in homes by providing holistic civil legal representation. Legal services can help secure legal custody, financial benefits, healthcare support, educational support, and safe housing.

**CIVIL LEGAL SERVICES TO
KINSHIP CARE FAMILIES GRANT**

FORMULA TO CALCULATE POVERTY POPULATION FY22 GRANT AMOUNT

Total poverty population in county(ies) served by grant applicant ÷
Total persons in poverty in Georgia (see poverty population estimates chart) = % of persons in poverty in the county(ies).

Allocated grant amount × % of persons in poverty in the county(ies) = Amount allowed under grant formula

Example: Domestic Violence Shelter serves Glynn and McIntosh counties

Glynn county poverty population =	15,092
McIntosh county poverty population =	<u>2,465</u>
Total poverty population in county(ies) served by grant applicant:	17,557

$17,557 \div 1,528,558$ (total persons in poverty in GA) = .0114859888

$.0114859888 \times \$345,780$ (**75% of total available grant amount**) = \$3,972 (rounded)

Note: 75% of the available grant funds are used for awards based upon the poverty population estimates. The total amount of the available grant is \$461,066 and 75% is \$345,780 (the remaining \$115,286 is awarded to grantees serving special need categories). See the grant notice for more information or contact the Judicial Council/Administrative Office of the Courts at grants@georgiacourts.gov or (404) 656-5171.
